

Federal Election Commission

§ 109.37

State committee, may assign its authority to make coordinated party expenditures authorized by 11 CFR 109.32 to another political party committee. Such an assignment must be made in writing, must state the amount of the authority assigned, and must be received by the assignee committee before any coordinated party expenditure is made pursuant to the assignment.

(b) *Compliance.* For purposes of the coordinated party expenditure limits, *State committee* includes a subordinate committee of a State committee and includes a district or local committee to which coordinated party expenditure authority has been assigned. State committees and subordinate State committees and such district or local committees combined shall not exceed the coordinated party expenditure limits set forth in 11 CFR 109.32. The State committee shall administer the limitation in one of the following ways:

(1) The State committee shall be responsible for insuring that the coordinated party expenditures of the entire party organization are within the coordinated party expenditure limits, including receiving reports from any subordinate committee of a State committee or district or local committee making coordinated party expenditures under 11 CFR 109.32, and filing consolidated reports showing all coordinated party expenditures in the State with the Commission; or

(2) Any other method, submitted in advance and approved by the Commission, that permits control over coordinated party expenditures.

(c) *Recordkeeping.* (1) A political party committee that assigns its authority to make coordinated party expenditures under this section must maintain the written assignment for at least three years in accordance with 11 CFR 104.14.

(2) A political party committee that is assigned authority to make coordinated party expenditures under this section must maintain the written assignment for at least three years in accordance with 11 CFR 104.14.

§ 109.34 When may a political party committee make coordinated party expenditures?

A political party committee authorized to make coordinated party expenditures may make such expenditures in connection with the general election campaign before or after its candidate has been nominated. All pre-nomination coordinated party expenditures shall be subject to the coordinated party expenditure limitations of this subpart, whether or not the candidate on whose behalf they are made receives the party's nomination.

§ 109.35 [Reserved]

§ 109.36 Are there circumstances under which a political party committee is prohibited from making independent expenditures?

The national committee of a political party must not make independent expenditures in connection with the general election campaign of a candidate for President of the United States if the national committee of that political party is designated as the authorized committee of its Presidential candidate pursuant to 11 CFR 9002.1(c).

§ 109.37 What is a "party coordinated communication"?

(a) *Definition.* A political party communication is coordinated with a candidate, a candidate's authorized committee, or agent of any of the foregoing, when the communication satisfies the conditions set forth in paragraphs (a)(1), (a)(2), and (a)(3) of this section.

(1) The communication is paid for by a political party committee or its agent.

(2) The communication satisfies at least one of the content standards described in paragraphs (a)(2)(i) through (a)(2)(iii) of this section.

(i) A public communication that disseminates, distributes, or republishes, in whole or in part, campaign materials prepared by a candidate, the candidate's authorized committee, or an agent of any of the foregoing, unless the dissemination, distribution, or republication is excepted under 11 CFR 109.23(b). For a communication that

satisfies this content standard, see 11 CFR 109.21(d)(6).

(ii) A public communication that expressly advocates the election or defeat of a clearly identified candidate for Federal office.

(iii) A public communication, as defined in 11 CFR 100.26, that satisfies paragraphs (a)(2)(iii)(A) or (B) of this section:

(A) *References to House and Senate candidates.* The public communication refers to a clearly identified House or Senate candidate and is publicly distributed or otherwise publicly disseminated in the clearly identified candidate's jurisdiction 90 days or fewer before the clearly identified candidate's general, special, or runoff election, or primary or preference election, or nominating convention or caucus.

(B) *References to Presidential and Vice Presidential candidates.* The public communication refers to a clearly identified Presidential or Vice Presidential candidate and is publicly distributed or otherwise publicly disseminated in a jurisdiction during the period of time beginning 120 days before the clearly identified candidate's primary or preference election in that jurisdiction, or nominating convention or caucus in that jurisdiction, up to and including the day of the general election.

(3) The communication satisfies at least one of the conduct standards in 11 CFR 109.21(d)(1) through (d)(6), subject to the provisions of 11 CFR 109.21(e), (g), and (h). A candidate's response to an inquiry about that candidate's positions on legislative or policy issues, but not including a discussion of campaign plans, projects, activities, or needs, does not satisfy any of the conduct standards in 11 CFR 109.21(d)(1) through (d)(6). Notwithstanding paragraph (b)(1) of this section, the candidate with whom a party coordinated communication is coordinated does not receive or accept an in-kind contribution, and is not required to report an expenditure that results from conduct described in 11 CFR 109.21(d)(4) or (d)(5), unless the candidate, authorized committee, or an agent of any of the foregoing, engages in conduct described in 11 CFR 109.21(d)(1) through (d)(3).

(b) *Treatment of a party coordinated communication.* A payment by a polit-

ical party committee for a communication that is coordinated with a candidate, and that is not otherwise exempted under 11 CFR part 100, subpart C or E, must be treated by the political party committee making the payment as either:

(1) An in-kind contribution for the purpose of influencing a Federal election under 11 CFR 100.52(d) to the candidate with whom it was coordinated, which must be reported under 11 CFR part 104; or

(2) A coordinated party expenditure pursuant to coordinated party expenditure authority under 11 CFR 109.32 in connection with the general election campaign of the candidate with whom it was coordinated, which must be reported under 11 CFR part 104.
